## Mudgee Uniting Church candles

can be found in churches and homes across NSW and beyond. They bring a message of love and hope, and light as they help to celebrate baptism, weddings, confirmation, induction and for funerals or memorials. We can make you personal prayer candles, birthday candles or candles for special events.

All our candles are Australian made, and each candle is unique. They are individually hand-decorated and are made to order, with both a regular range of designs, or unique designs for your circumstance.

We use quality waxes and dyes.

## *Care of your Candles*

- *To minimise dripping and extend the life of your candles, keep wicks trimmed to 8-10mm.*
- *Dripping will also occur if candles are placed under fans.*
- *In extreme heat, store candles in cool cupboard or room.*
- *Make sure candles are not left in direct sunlight, or in hot situations, eg closed car.*
- *Candles can be gently dusted or wiped with a cloth.*

*Thank you for ordering candles from Mudgee Uniting Church.*

*We hope that they enrich your worship, prayer and celebrations.*
